Anglais -

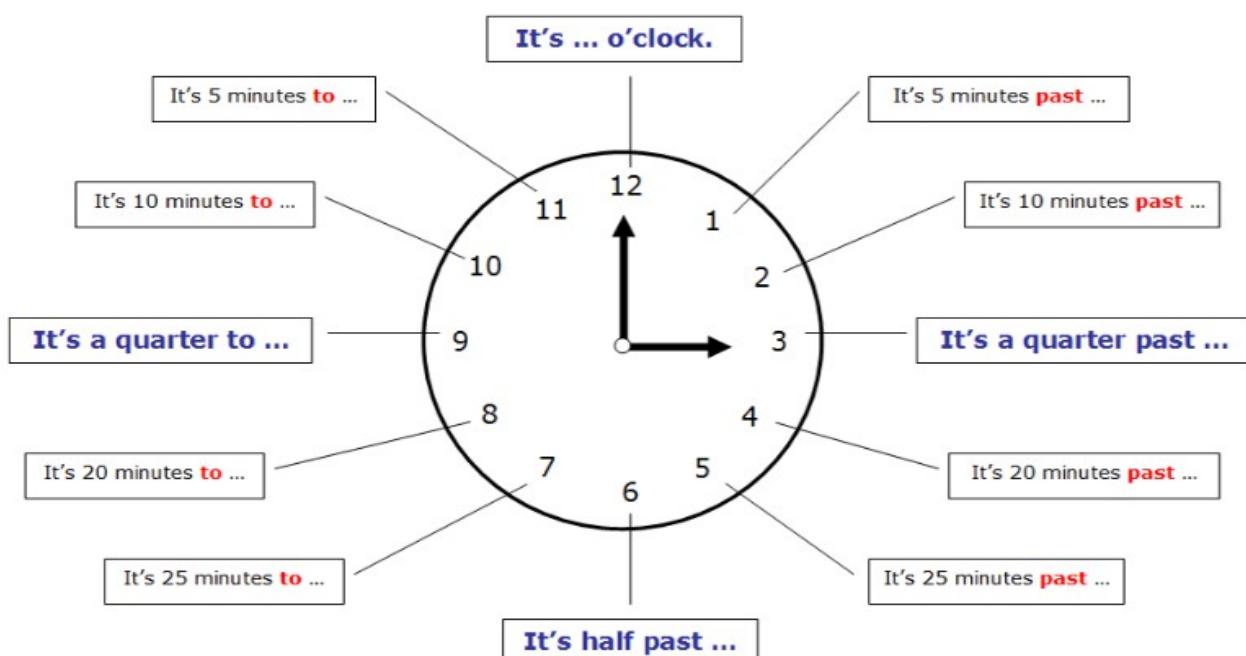

Voici TOUT ce qui doit se trouver dans ton grand cahier d'anglais (depuis le 16 mars). Relis et vérifie ton cahier. Complète et corrige ton cahier si besoin.

S'il y a des choses que tu ne comprends pas trop bien, ne panique pas, nous allons faire des révisions ! Continue les entraînements sur thebigchallenge.com

Mercredi, je donnerai un peu de travail aux 6B mais AUSSI aux 6A afin que les 2 classes progressent ensemble.

What time is it?

Contrairement aux Français qui comptent souvent en 24h (Ex 15h = 3h de l'après midi), les anglais comptent plutôt en 12H . Lorsque c'est nécessaire ils précisent s'il s'agit du matin (3 am.) ou l'après midi (3 pm.)

Il y a deux manières de dire l'heure en anglais.

1) méthode simple

Il s'agit de dire le nombre des heures, puis les minutes

10.35 = it's ten thirty-five 1.50 = it's one fifty

15.20 = 3.20 = it's three twenty (car on compte en 12h pas en 24h)

(à toi: Fais dans le petit cahier et tu recopieras la correction demain)

2.35 =

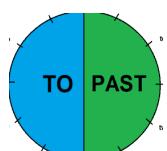

17.40 =

15.0 =

2) la méthode "classique"

C'est celle qui est le plus souvent employée.

Très souvent, on ne dit pas "minutes" It's 5 minutes past three = It's five past three.

[Tu peux aussi faire ce schéma pour te rappeler que quand la grande aiguille est à droite on utilise Past et quand elle est à gauche on utilise TO]

What time is it?

(méthode simple)

2.35= It's two thirty-five

17.40 =5.40= it's five forty

15.00= it's three (o'clock)

(méthode "classique")

9.00 it's nine o'clock

8.30 it's half past eight

1.15 It's a quarter past one

7.45 It's a quarter to eight

12.45 It's a quarter to one

3.30 it's half past three

6.00 It's six o'clock

10.15 it's a quarter past ten

4.15 it's a quarter **past** four

4.45 it's a quarter **to** five

7.30 It's half past seven

11.00 It's eleven o'clock

5.20 It's twenty past five

11.05 it's five past eleven

1.40 it's twenty to two

7.25 it's twenty-five past seven

14.10 = 2.10 it's ten past two

3.55 it's five to four

2.35 it's twenty-five to three

"What time is it, please?"

"It's a quarter past five" = "it's quarter past five"

on peut dire "a quarter" ou "quarter"

"Thank you"

"you're welcome"

A typical day at school (p 44)

Look at Henry's timetable. Every day, from 8.45 (eight forty-five) to 9.00 he has Assembly*.

On Tuesdays, he has History from 9.00 to 9.50. At 9.50 he's got Drama.

pour 6A :

On Tuesday, from 8.00 to 8.55 I have maths, then from 8.55 to 9.50 I've got Art. At 10.05 we have English and a free period at 11.00 . My favourite day is Wednesday because we've got double-PE and because we don't work in the afternoon!

pour les 6B:

On Tuesdays, from 8.00 to 8.55 I have maths, then from 8.55 to 9.50 I've got English. At 10.05 we have Art and Spanish at 11.00 . My favourite day is Wednesday because we've got double-PE and because we don't work in the afternoon!

*Assembly: in the morning all the pupils meet at assembly with their teachers and the headmaster. (*tous les matins les élèves se retrouvent avec leurs enseignants et le directeur. C'est l'occasion de donner des informations sur la vie de l'établissement*)

A timetable (=emploi du temps) - a period (= une heure de cours) - a double (period) (=un cours de 2 heures)

Break (=récréation) : the pupils have a break in the morning. During the break they **can** chat with their friends, eat something or play. They go to the playground (= la cour)

In Britain, pupils usually finish school *early* (=tôt). So they **can** practise after-school activities, work odd jobs (=faire des petits boulots) (like babysitting, petsitting, delivering newspapers...)

S + can + BV (exprime une possibilité)

S+ can't +BV (= impossibilité)

Pupils **can** chat at the canteen but they **can't** chat in class.

(les élèves **peuvent** bavarder à la cantine..... mais ils **ne peuvent pas** bavarder en classe

impossibilité = qq chose qu'on est incapable de faire (I can't speak Chinese)

ou qq chose qu'on n'a pas la permission de faire (I can't dance in class !), c'est donc très proche de I **mustn't** dance in class , je **ne dois pas** danser en classe)

rappel : **S+ must + BV (exprime une obligation)**

You must work in class

S + mustn't + BV (interdiction)

you mustn't play with your pens
